- Da je pogostost pojavljanja imen v obeh korpusih enaka razvrstitvi pogostosti imen v Sloveniji.  
- Da se bo v okolici vsakega imena pojavil naziv te osebe (-1) in priimek (+1). 
- Pričakujemo, da nazivi kot so gospod, magister, spoštovani itd. ne bodo tako pogosti, saj bomo opazovali spletno slovenščino kjer ne pričakujemo velike uporabe formalnih nazivov.  
- Da se bodo imena v korpusu KRES pojavljala predvsem v leposlovju, saj gre za imena, ki so dokaj pogosta v slovenski literaturi.
